Apprenticeship

APPRENTICE MECHANIC

Full-Time – Fixed Term Contract (up to 4 years)

Scone/ Murrurundi

About Us

The Upper Hunter region, known as the horse capital of Australia, provides a quality rural lifestyle on the edge of the magnificent Hunter Valley wine regions and within easy range of Newcastle and Sydney. The Upper Hunter is a vibrant, thriving and friendly rural community encompassing the towns of Scone, Merriwa, Murrurundi and Aberdeen. Our pristine unspoiled landscape is picture perfect and supports many well developed equine and agricultural industries. The area boasts an extensive range of recreational activities and a full range of quality educational, cultural, social and sporting services.

About the Role

We are looking for a motivated Apprentice Mechanic to learn everything about mechanical servicing, inspections, fault diagnosis and repairs on anything from small engines, light & heavy vehicles and medium & heavy plant.

This is an outstanding opportunity for candidates to develop a dynamic and fulfilling career with a well-established organisation which supports our local community. Joining the Council Fleet team, based out of the Scone Depot, you will work under the guidance and mentorship of our experienced, passionate and talented mechanics and receive formal training through a Registered Training Organisation (RTO). Upon completion of your four-year apprenticeship, you will have earned a trade qualification that is recognised nationally.

About you

Have you completed Year 10?

- Are you a keen individual with the right attitude and attention to detail?
- Do you have a desire to learn and develop a range of new skills associated with your chosen trade?
- Do you have a passion for vehicles, engines, or the automotive industry?

Then we want to hear from you!

Closing Date

Monday 20th December, 2021 at 4pm

Enquiries and Further Information:

Give Tony (Jock) Miller, Fleet Coordinator a call on [0428 466 205](tel:0428466205) or e-mail hr@upperhunter.nsw.gov.au to discuss this exciting opportunity. Or you can just submit an application online by the closing date by clicking the "Apply" button below.

How To Apply

All applications must be submitted and the key selection criteria addressed online by the closing date by clicking "Apply for this job" or through Council's website - upperhunter.nsw.gov.au

Upper Hunter Shire Council is a progressive and caring organisation where all our employees work together to deliver quality services to support our community. Council supports and encourages career development and personal and professional growth for our employees. We also appreciate the importance of work/life balance. Benefits of working for Council include flexible work arrangements, career opportunities, a range of salary sacrifice options and rewards for performance. Council is committed to the principles of employment equity and diversity and is a smoke free workplace.

Apprenticeship

Bright Spark Apprentice Program

Bright Spark - Apprenticeships at Ausgrid - Expression of Interest for January 2022 intake

Ausgrid is seeking expressions of interest for our 2022 Bright Spark Apprenticeship Program.

The Bright Spark program is a supportive stepping stone for success and preparation for a valuable hands-on career as a Line Worker, Cable Jointer or Electrician.

As an **apprentice**, you will learn new skills through a mix of theory and practical coursework, learn to:

- use hand and power tools to install and maintain power network infrastructure
- fabricate, assemble and dismantle utilities components
- install, maintain, repair, test, commission and diagnose and rectify faults in electrical equipment such as transformers, switchgear and control systems
- look after and maintain poles and overhead and underground infrastructure
- work on electrical metering, light, power and data circuits

In addition, you will receive paid leave to attend training with a Registered Training Organisation. Once you have successfully completed the apprenticeship you will become trade qualified either as a Line Worker, Cable Jointer or Licensed Electrician

The benefits:

- Attractive salary - earn while you learn on the job and formally through a RTO
- Receive a nationally recognised qualification
- Supportive and safe working environment
- Enjoy a nine-day fortnight
- 15% superannuation
- 16 weeks paid parental leave
- Staff club
- Health and Wellness fitness program – Fitness Passport
- Annual Flu vaccine
- Employee Assistance Program (EAP)

We are seeking diverse and talented candidates. You could be a school leaver, someone looking for a career change or have already commenced an electrical apprenticeship.

Applications close: 12 December 2021

Apprenticeship

Auto Electrical Tradesman and First Year Automotive Electrical Apprentice

Lawler Auto Electrics requires qualified Automotive Electricians for an immediate start. We are also looking to add a First Year Automotive Electrical Apprentice to our team.

We are based in Rutherford, NSW and service the Hunter Valley, Central Coast, and surrounding areas. Our business was established in 2005 and has grown based on our reputation of high work accuracy, attention to detail, and by striving to go above and beyond for our customers. We require motivated and reliable individuals who are driven by these same principles. They will possess loyalty and a work ethic to build a successful and long-term future within our company.

We offer a great variety of work throughout many industries, including road transport, mining, earth moving and construction, agricultural, RV and marine. We believe in building a positive team work environment, and offering support and above standard resources to allow for the best possible job satisfaction. We offer the flexibility and potential for either a workshop role in a purpose-built facility and/or a field service role in specially designed service vehicles.

The successful applicant for our Tradesman position will possess:

- A Certificate III in Auto Electrical with a minimum of six years industry experience
- Excellent knowledge of auto air conditioning diagnosis and repairs – current ARC license (preferable)
- Experience in auto electrical diagnostics and repairs, complete re-wire and fit out/specification work
- A sound knowledge of heavy machinery, road transport, earth moving, and commercial vehicle systems
- Experience working with engine management, electro-hydraulic, and ABS/EBS systems
- All required personal tooling
- The ability to work autonomously within a team environment
- A strong focus on working safely
- A Current C-class Driver's License

Salary Package Includes:

- Above award wage with the ability to earn in excess of \$120K/yr + Super without Night Shift or Rosters.
- A fully equipped service vehicle will also be provided.

Our Apprenticeship applicants should possess:

- A positive, professional, and mature attitude
- Ability to use initiative with a high attention to detail and desire to complete all work to the highest standard possible
- Reliability and loyalty to complete a full apprenticeship while gaining valuable experience in a team environment.
- A Current Driver's License with own transport (P to C Acceptable)

This role gives a unique opportunity to learn on the job from highly experienced tradesman on a variety of vehicles and machinery.

If you believe you possess the right qualifications, work ethic, attitude, and want to join a successful team, please direct all applications in writing to:

Krista Lawler – HR – info@lawlerautoelectrics.com.au. Applications close 30/12/2021.

Sorry, we are not in a position to sponsor overseas applicants. Australian residents only.

2022 Engineering Mechanical (Fitter) Apprenticeship

What you'll be doing...

You will complete a [Certificate III in Engineering - Mechanical Trade](#) over 48 months through a combination of formal training with a Registered Training Organisation (RTO) and practical on-the-job experience with the Host Employer.

Throughout your formal training and practical experience in the workplace, you will have the opportunity to:

- Operate manual and CNC lathes and borers
- Weld, repair, assemble and maintain equipment
- Use engineering and trade hand tools
- Carry out general maintenance and general fitting work
- Clean and maintain work areas
- Assist qualified tradesmen

What you'll bring to the table...

To be successful in this role, you'll need to meet the following selection criteria:

- Ability to work as part of a team
- Commitment to both on and off the job training
- A can-do attitude and willingness to learn
- Ability to work safely and follow instructions
- Demonstrated mechanical aptitude
- Demonstrated passion for mechanical trade
- Punctual, honest and diligent
- Sound written and verbal communication
- WHS Construction Card (Whitecard)
- Drivers licence and reliable transport

What to do next

To apply for this role, click the 'Apply for this job' button and then follow the steps to complete your application. You can also apply online at www.hvtc.com.au by clicking on 'Vacancies' and selecting the relevant position, then the 'Apply Online' button at the bottom of the page.

All applications require a resume and cover letter addressing the selection criteria.

What else is involved?

After submitting your online application, you may be invited to complete online testing, interviews and pre-employment medicals. We will also contact your references if you progress through these recruitment stages. Please be sure to check your emails (including your junk folder) and respond to missed phone calls, voicemail messages and text messages.

If you have any questions about this role, please contact Pamela Wong on [02 4932 4222](tel:0249324222).

Applications close 15th December 2021

We are looking for a passionate individual who is wanting to develop knowledge in commercial cookery. Most importantly working as an apprentice chef will give you the skills and knowledge to one day run your own kitchen!

This qualification provides the skills and knowledge for an individual to be competent as a qualified chef.

Work Environment: We are currently seeking an Apprentice and Trainee for the following locations.

The Bavarian (Charlestown) brings a German-inspired, Aussie-embraced dining experience. A unique blend of Bavarian-inspired diner and local pub, guests can enjoy good food, good beers, good times, and the best of both worlds at The Bavarian.

Beerhaus (Kotara) - The focus is on big-hitting flavours, including classic pub food with items ranging from roasts to ribs, to fish and chips, sensational, golden-crumbed chicken schnitzels, flavourful burgers, and big buckets of chicken wings with a choice of seven, spicy sauces.

Applicants must have a current RSA or be willing to obtain one.

Eligibility

To be eligible to work as an apprentice or trainee in NSW you must either have:

- Australian Citizenship
- Australian Permanent Residency

This position would also be suitable for individuals interested in cooking, and hospitality. Please ensure an up to date Resume and Cover Letter is included stating which position you are applying for.

Apprenticeship

Signage Apprenticeship

Are you looking for a trade with a bit of variety that you will learn a diverse range of skills?

Looking for a supportive and inclusive team environment?

If you answered yes to all of the above, then this be the trade for you!

We are seeking energetic new people who are interested in completing a Signwriting apprenticeship. Learning nationally recognised training at a purpose built signage facility at Maitland TAFE while gaining hands on training at one of Australia's largest sign manufacturing facilities based in Sandgate (Newcastle). The position starts out as a trial for an apprenticeship, and at the end of the trial, if successful as suitable for the apprenticeship, will begin the Signwriting apprenticeship. See TAFE NSW website for: Certificate III Signs and Graphics for more information on the TAFE training.

As our apprentice you will receive the best in quality training to become a fully qualified sign writer / sign maker within the industry. You will develop valuable skills and not only build signs but, but be trained in all facets of the signage industry.

Apprentices will have training using the latest state of the art plant and equipment at Maitland TAFE including:

Multicam router

Laser engraver

3D fabricated signage

LED technology & installation

Roland digital printer

Colour profiling

Vehicle wrap print application

Spray painting

Production management skills

Advanced graphic design specialising in Adobe Illustrator

A WHS Induction Training (White Card) which will gain you entry to a construction site is preferred but not essential.

No experience is necessary but you must have a passion for design along with a desire to build. You must have good colour vision, and at a minimum intermediate computer skills.

For more information about our company visit <http://www.emsigns.com.au/>

1st/2nd year Hairdressing Apprentice

We have a position vacant for a **1st or 2nd year apprentice hairdresser** to join our team!

About Us

Our salon specialises in blondes, balayage and hair extensions. We are a small boutique MUK Salon and focus on training and creating beautiful hair for our clients.

What's on offer

You will be working in a small team with the ability to gain heaps of experience on the floor assisting our senior stylists, along with scheduled tafe and in salon training.

The successful candidate will be someone who:

- Thrives in a fun environment
- Is dedicated and passionate about the hair industry
- Willing to turn up with a smile

If you want to advance your career in hairdressing, have a great attitude and want to work with a strong and growing team, we would love to hear from you!

Please submit a cover letter and resume to be considered for this position.

Apprenticeship

Sheetmetal and Boilermaker Apprenticeships

Are you interested in a career in metal?
Do you have your drivers licence and reliable transport?
Would you like to be part of one of the biggest sign companies in Australia?
If you answered yes to all of the above, then this job is for you!
We are seeking energetic new apprentices who are interested in starting a career in the signage industry. You will learn nationally recognised training at Newcastle Tafe while gaining hands on training at our sign factory in Sandgate (Newcastle).
As our apprentice you will receive the best in quality training to become a fully qualified tradesman. You will develop valuable skills and not only build signs, but be trained in all facets of Light Fabrication or Heavy Fabrication. Apprentices will have training using the latest state of the art plant and equipment to learn to:

- Carry out mechanical cutting
- Apply fabrication, forming and shaping techniques
- Assemble fabricated components
- Weld using gas metal arc welding process
- Weld using gas tungsten arc welding process
- Repair/replace/modify fabrications
- Perform engineering measurements
- Mark off/out structural fabrications and shapes
- Use hand tools
- Use power tools
- Apply principles of occupational health and safety in a work environment

No experience is necessary other than an interest in learning the Sheetmetal or Boilermaker Trade. For more information about our company visit <http://www.emsigns.com.au/>
Please do not call, Facebook message or text. Apply only via this ad. Only shortlisted candidates will be contacted.

Apprenticeship - Bricklayer

Want a trade that can launch your career in Construction? Why not Become a Bricklayer? We have employers and jobs available now across the Newcastle, Maitland & Hunter areas!

Why not Become a Bricklayer
If you are creative, like working with your hands and enjoy working outdoors, you should consider Bricklaying.

The people that shape the Bricklaying trade today are clever, successful business people who work well alongside all other trades. Bricklayers are highly valued and are just one of two structural trades that play such a vital role in the construction industry.

Bricks and Blocks are the building products most seen in construction projects and skilled workers are in demand.

Like any career - you're the master of your own destiny
Bricklaying can be a pathway to becoming a builder, site supervisor, project manager, or other high-level roles.

If you aspire to be the very best and are motivated, reliable and hard-working, this is a great opportunity for you.

Skills and Experience
Work experience or previous training in Bricklaying/Blocklaying would be advantageous although not essential.

For further information please contact nadine.mcewan@abbtf.com.au

Once your application has been reviewed, you will be contacted via email, phone and/or via SMS.

ONLY available to Australian permanent residents.

Apprenticeship

1st Year Heavy Commercial Vehicle Technician Apprentice

MEGT (Australia) Ltd makes Apprenticeships and Traineeships happen. If you are looking at starting your career, an Apprenticeship is a great way to receive training and skills while you are working.

Our Host Employer is looking for a mechanically minded superstar! Our Host Employer has been operating for over 80 years in the waste, recycling, and industrial services throughout Australia. The Host Employer has a fleet more than 250 heavy vehicles they use in everyday operations.

As a 1st Year Heavy Vehicle Mechanic Apprentice, you will be working alongside and learning from highly experienced tradesmen. This position would suit a candidate that has a keen interest in trucks or large machinery, as you will be working on these daily. For the first 6 months you will be on day shifts, after 6 months you will be on afternoon shifts (2pm-10pm).

Your duties will include and not be limited to;

- Repairing engines and associated engine components
- Service and repair fleet of side loader trucks, front lift trucks, hook trucks and trailers
- Test and repair basic electrical circuits
- Use and maintain workplace tools and equipment
- Use of computer diagnostic equipment
- Ensure workplace is kept clean and tidy
- Use and maintain workplace tools and equipment

SKILLS & EXPERIENCE

- To be considered for this opportunity ideally you will have:
- Drivers Licence (manual) and own transport
- Completed Year 12 High School Education
- Ability to demonstrate working in a team environment
- Superior Safety Awareness
- Work experience or completed relevant studies in automotive or engineering
- Basic understanding of mechanics and demonstrate an interest in this field
- Long term career goals to grow with the company

BENEFITS

- Receive a Trade qualification in Certificate 3 in Heavy Vehicle Automotive
- MEGT Field Officer for constant support in the Apprenticeship
- Uniforms and PPE provided

HOW TO APPLY

If you are ready to take your career to new heights and are ready to join a company who are looking to hire the industry's best and brightest talent - simply hit 'Apply' now and send your resume to MEGT today or for any enquires please contact Ashleigh at ashleighholl @megt.com.au (no space).

The first stage of the selection process will involve a phone interview and only successful applicants will be contacted. Final interview stage will be an onsite interview with the Host Employer, along with completing a pre employment medical, including drug and alcohol test.

Apprenticeship

Apprentice - Metal Fabrication

Your new company:

Spartan Doors has recently grown from a local, specialised manufacturer to now supplying commercial, industrial and residential construction projects across the entire eastern seaboard. Our new, larger manufacturing facility was opened in September 2015 and our growth has seen this new and important role created.

You will be working in a fully catered workshop environment as part of an operations team fabricating custom industrial and commercial steel door and frame products.

Once you complete your apprenticeship your job will entail:

- Fabrication of steel doors, steel frames/jambs, custom pipe and truss
- Interpreting engineering drawings
- Setup and operation of brake press, guillotine, CNC equipment
- Use of Butt-Welding, as well as power tools including saws, grinder, polishers etc.
- Writing of SWMS and leading by example with OHS Standards

To be successful in this role you will need the following technical levels:

The successful applicant will be punctual and reliable, pay particular attention to quality and cleanliness, be willing to learn and apply new techniques, systems and materials, and above all, be a team player. In turn, we will provide everything needed for a successful apprenticeship and career.

1. Be able to communicate proficiently through speaking and writing english
2. Trade level Mathematics skills (year 10 minimum)
3. Woodwork, metalwork (or similar) subject completion (year 10 minimum)
4. Demonstrated IT literacy
5. It would be beneficial to have a car license but not essential

What you need to do now:

Please apply through the Seek Website prior to the close date below.

roof plumbing apprentice (metal roofing)

Insight roofing and guttering is a small and younger business, we try to create a friendly and happy environment whilst in and out of work. we do everything we can to help every employee achieve their goals whilst achieving our own goals as a business.

Qualifications & experience

- car license
- white card
- working at heights

Tasks & responsibilities

- able to measure, cut and handle materials.
- work as a team
- learn quickly
- Be able to get to and from each job day to day

Benefits

- good team environment
- ability to learn all aspects of the trade
- team events

Apprenticeship

Apprentice Plant Mechanic

Kentan Machinery is a leading player in the provision and maintenance of Agricultural and Construction equipment in the Newcastle, Hunter Valley and Taree areas. With a focus on quality, product knowledge, internal development and customer service, we have achieved an enviable reputation in the market and been a consecutive winner of the much coveted "MTA NSW Farm Machinery Dealer of the Year" award.

If you are completing School or are seeking a new career, the Kentan Machinery Apprenticeship Development Program will set you on the path to a fulfilling and rewarding career. This apprenticeship commences in January 2023 but we would like a start date ASAP to induct the selected candidate into the business prior to the apprenticeship start date.

What we seek in our apprentices:

- Minimum Year 10 Maths and English;
- Technical aptitude and a mechanical interest;
- Self-motivated with a responsible attitude and mature outlook;
- Strong commitment to a structured on site workshop and off site training program;
- Ability to work within a team environment;
- Drivers Licence is mandatory (minimum P plates).

What we can offer you:

- Sponsored Certificate III training at TAFE;
- Extensive technical and business skills training program;
- Safety equipment and protective uniformed clothing for work purposes;
- A strong team culture focused on your success and career growth.

How to Apply:

To apply for an Apprenticeship opportunity with Kentan Machinery, please send your application via email to craig@kentanmachinery.com.au.

Please remember, you must be available to start ASAP even though the apprenticeship does not start until January 2023.

To all of you who sent through your resume, we appreciate your interest but due to the high volume of applicants, we will not be contacting you unless we feel you may be suitable for the position.

CNC Machinist / Mechanical Apprentice

We are seeking applications for Apprentices to join the team with a start date of early 2022. This is an exciting opportunity to begin your career and gain exposure to one of Australia's most unique steel making facilities.

The disciplines available are:

- Mechanical (Fitter)
- CNC Machinist

Our apprentices tell us that it's the balance between working and studying that will really give you the edge. When you're not at TAFE learning the technicalities of your trade, you'll be on site putting what you've learnt into practice with heavy machinery and equipment. You'll have space to balance both study and work.

You'll be challenged and stretched, but you'll find it's the best way to develop and learn. During the program, you'll be able to draw upon the experience of your team and be mentored by experienced tradespersons and engineers to make sure your career starts in the best way.

About your experience

This is a great opportunity to get into a career in heavy industry and manufacturing! We are looking for enthusiastic, motivated and committed applicants who are looking for a career in the mechanical / fitting field.

You will be:

- Safety focussed, team orientated and have good interpersonal skills;
- Able to commute daily to site and/or TAFE as required

Application to Include:

- Cover Letter that tells us about you and the reason you would like to pursue an Apprenticeship with us, we ask that you specify your trade preference
- Resume that includes your education level, training, any work experience and copies of your last 2 years of results from School, TAFE or University; if you are a recent graduate.

About our team

At **InfraBuild** we are building futures through sustainable steel. We are Australia's leading vertically-integrated Electric Arc Furnace steel recycling, manufacturing and distribution business. We provide solutions for commercial and residential construction, large scale and nation-building infrastructure, our primary producers, mining and rural sectors. With our rich history spanning more than 100 years we have entered an exciting new chapter, each day we help build and enable a stronger and more sustainable Australia, for a changing world.

InfraBuild Wire is Australia's leading manufacturer and supplier of wire products and services the Rural, Construction and Manufacturing sectors with manufacturing facilities in Newcastle, Geelong and Jindera. Infrabuild Wire includes Waratah Fencing and Cyclone products and manufactures anything from nails to wire rope for massive draglines in mining.

We will be hosting Novaskill as our Group Training Organisation for this intake of Apprentices.

Next steps

Across our different business units, we offer career opportunities for people who share our drive, passion and ambition. From apprentices and graduates to experienced professionals, we are committed to offering fulfilling careers and the chance to grow as our business grows. We would love you to be part of our journey.

Apply today.

Mechanical Fitting Apprenticeship (1st, 2nd, 3rd and 4th Year)

HunterNet Group Training are seeking enthusiastic individuals to join the team in Broadmeadow & Hamilton North as Apprentice Mechanical Fitters. **Positions commencing February 2022.** Working with our host company, we are looking for motivated individuals with a strong work ethic who are interested in completing a Certificate III in Engineering – Mechanical Trade. The successful applicants will complete the apprenticeship over 4 years while gaining on-the-job experience with an industry leading company.

As an Apprentice your main duties will include:

- Participate in mechanical work and development activities
- Participate with analysing of work orders to determine information such as material to be used, type of operations and sequence of operations required to complete the job task
- Ensure all work performed is to specification, to the agreed work schedule and to a high-quality standard
- Actively listen and effectively communicate with the Operations Team to ensure all work tasks are completed smoothly
- Maintain housekeeping to a high standard
- Ensure all tools and machinery are effectively maintained and secure
- Comply with all timekeeping requirements including timesheets
- Always follow and apply all safe working procedures and practices (including the completion of all required safety documentation)
- Report all matters and issues to Management in a timely manner
- Adheres to all company policies and procedures
- Commitment to attending and completing all requirements of TAFE

What we're looking for:

- Strong mechanical aptitude
- Sound literacy and numeracy skills
- Good verbal communication and interpersonal skills
- Ability to follow instructions and work effectively in a team environment
- Exceptional commitment to workplace safety
- Current driver's licence and reliable transport
- Must be an Australian Citizen or Permanent Resident
- Commitment to attending and completing all requirements of TAFE

Applicants with the following will be highly regarded:

- Completion of a pre-apprenticeship course

To make application for the position please send through a cover letter and resume.

As part of the recruitment process, suitable applicants will be required to complete pre-employment medical testing including drug and alcohol screening.

Due the high volume of applications we receive only successful applicants will be contacted.

Apprenticeship

Electrical, Plant Mechanic and Fitter/Welder Apprenticeships

Programmed, in partnership with Yancoal, is committed to upskilling the local community in the Hunter Valley region, by offering a leading four-year apprenticeship program, starting in January 2022. With opportunities at Yancoal's Mount Thorley Warkworth mines, we are currently seeking candidates interested in a career within the mining industry for an Electrical, Plant Mechanic and Fitter/Welder Apprenticeship. Mt Thorley Warkworth (MTW) is a large open pit coal operation located in the NSW Hunter Valley region approximately 10km south west of Singleton. Our people and culture are remarkably strong, driving accountability and excellent results. With a world class fleet of mining equipment and a diverse range of trucks, excavators, draglines, shovels, water carts, graders, dozers & drills there is never a dull moment!

Benefits include

- Working with a safety focused team
- Nationally recognised qualification
- Learning from experienced and qualified tradespeople within the industry
- Ongoing coaching, mentoring and support from both Programmed and Yancoal
- Exposure to a broad range of mechanical/electrical functions
- Competitive wage

Inherent requirements of employment

- Australian citizen or permanent resident
- Must hold a current driver's licence or have plans to obtain a driver's licence within the first 12 months
- Electrical applications must have completed HSC
- Candidates must live within a one hour drive of Yancoal's Mount Thorley Warkworth mine sites
- All shortlisted candidates will need to undertake and successfully pass a pre-employment medical including Drug and Alcohol. (electrical candidates must also pass colourblind testing)
- Must be able to provide school reports

We are seeking people with a positive attitude who have excellent communication skills, enjoy hands-on learning, excel at problem solving, are well-organised, have attention to detail, and can deliver the best outcome for Programmed and Yancoal. You'll need to enjoy interacting with new people, be passionate about and have an interest in building a career in the mining industry.

To find out more and to apply, visit programmed.com.au

Applications close 24th November, 2021

Who we are

Apprenticeship

Apprentice Boilermaker

- Be part of an established brand with real career progression opportunities
- Supportive team environment
- Earn while you learn!

At Programmed we are passionate about sourcing great local talent and providing our people with opportunities for growth and development. We have a long and proud history of employing apprentices in our business with many of our leaders having started their careers undertaking an Apprenticeship.

Who are we

Programmed Industrial Maintenance is a leading provider of industrial maintenance solutions to the mining, oil & gas, manufacturing, utilities and infrastructure industries, leveraging scale to deliver localised services efficiently. Working with Programmed Industrial Maintenance means you will become part of the Programmed family: a company that encourages career development, supports flexibility and cares about your personal wellbeing and safety.

The Role

Due to continued growth we are looking for hardworking and enthusiastic individuals to join our NSW (Hunter Industrial Region) team as a 1st year Apprentice Boilermaker, based in Newcastle. Working closely with qualified and experienced tradespeople, Supervisors and even other Apprentices you will gain valuable skills & knowledge to ultimately secure your trade qualification (Certificate III in Engineering - Fabrication Trade).

As an Apprentice Boilermaker you will learn how to cut, shape, assemble and weld steel and use and maintain a wide range of machinery, and will have exposure working in a workshop environment as well as various client sites. Your week will incorporate learning the trade at Tafe and receiving hands-on, on-the-job training.

We will invest in you over the four year apprenticeship so you can continue your career with us, with potential to move into Leadership roles such as a Site Supervisor or Operations Manager in the future. An apprenticeship can open up a world of possibilities.

Skills and Experience

- Motivation to succeed and a willingness to learn;
- Values team work and has a positive attitude to working in a safe and productive manner;
- Ability to follow direction with excellent attention to detail;
- The ability to listen and understand customer and company requirements;
- Commitment to building a long term career;
- Completion of Year 10 or equivalent;
- A current Drivers License is preferred, but not essential; and
- Completion of a relevant pre-apprenticeship course is advantageous, but not essential.

This is an outstanding opportunity to begin your career with an industry leader. It is the ideal role for someone who has a genuine desire to pursue a career in the Industrial Maintenance industry.

A January 2022 commencement is anticipated.

Employee Benefits

- Great weekly wages
- Provide uniforms, footwear and personal protective equipment
- Long term career potential and training
- Paid parental leave and great discounts with selected retailers

An Employee Assistance Program, which incorporates a tailored wellbeing initiative

Our Commitment

Programmed and PERSOLKELLY supports a workplace culture of zero harm and encourages this in all that we do. Programmed and PERSOLKELLY strives for diversity, inclusion and equality of our people. We seek a workforce that is representative of the communities we work in. We encourage people of all cultures, gender, age, sexual orientation or abilities to apply.

To learn more about working with Programmed and PERSOLKELLY, we encourage you to visit our website.

Trainee Structural Draftsperson

The Company

Northrop Consulting Engineers is an employee owned, multi-discipline consultancy that has been established for over 45 years. We have an open management structure that embodies a diverse, inclusive and flexible workforce for all our employees.

We currently employ over 400 staff across ten offices in NSW, ACT, QLD, and VIC. We are essentially a people business that grows by creating opportunities for our people to help build the business and their career. When you join Northrop, you join a company that will support you to excel both professionally and personally.

The Role

Our Newcastle Structural team has an exciting opportunity for a Trainee Structural Draftsperson to join our team. Working with professional and experienced teams on exciting and prestigious projects, you will be provided with extensive on-the-job training and mentoring. You will develop skills in the latest discipline specific Engineering technologies and gain vast experience as part of our Trainee Draftsperson Program. Successful applicants will complete engineering studies at TAFE, usually 1 day a week, as part of an industry recognised traineeship. The other 4 days will be based in the office. Along with an industry-competitive salary, all TAFE fees will be reimbursed for your studies.

The Candidate

If you have recently completed your School Certificate or HSC, or you have started your Drafting course at TAFE and have an interest in pursuing a career in drafting, your future could be at Northrop! You will have access to many opportunities within Northrop and with our support, we will help you to develop your career.

As the successful candidate you will possess:

- A passion for STEM subjects, particularly Technology and Engineering.
- Computer literacy with a keen interest in technical drawing. Exposure to packages such as AutoCAD while not required, is highly desirable.
- The ability to work independently or collaboratively as part of a team.
- Enthusiasm along with a passion for the construction and engineering industry.

Strong written and verbal communication skills.

Applying

If you are ready to advance to the next stage of your career please click the 'Apply' button to complete your application.

To arrange a confidential conversation regarding this opportunity, please contact Laura Brest at lbrest@northrop.com.au or on [02 4943 1777](tel:0249431777).

Northrop is an equal opportunity employer.

***** No agencies please. Applications are sought from direct candidates only.**

What does working at Northrop look like to you?

At Northrop we understand that the key to success is our people. Together we are creating a workplace that values an inclusive culture.

We are proud of our family feel and collaborative working environment.

We practice flexible working and are open to discussions about what that means for you. If our advertised working arrangement doesn't suit, we still encourage you to apply so we can consider your application.

Traineeship

Trainee Early Childhood Educator (Cert III)

St Nicholas Early Education centres provide high-quality early education services using best practice guidelines. Our goal is to facilitate each child's social, intellectual and physical development and education, in partnership with parents, carers and the broader community.

We are also committed to supporting our educators advance in their careers and offer opportunities for them to learn and strengthen their knowledge and skills through strength based training and appraisals. Our leaders also provide hands on support and encourage professional development of all team members, with a focus on consistency and stability.

We currently have a unique opportunity for a **Trainee (Certificate III) Early Childhood Educator**. This position is perfect for a candidate who is passionate about pursuing a career within Early Education and Care and joining a successful prosperous organisation.

The successful candidate will have a positive attitude, a desire to learn and constantly improve, be receptive to constructive feedback as well as having the ability to take initiative and be a role model for other learners.

Benefits

- On the job training by qualified and dedicated professionals
- Access to a growing organisation with training and future job opportunities at 11 Early Education Centres
- Bishop's Leave, which is three days of additional leave between Christmas and New Year annually
- Paid Parental Leave
- Discounted childcare fees
- Corporate benefits, including EAP, Flu injections, reduced gym membership, reduced healthcare, amongst others.

Essential Criteria

- Willingness to undertake the Certificate III in Early Childhood Education and Care Work-based Traineeship CHC30121
- Computer literacy in order to document examples of learning stories
- Working With Children Check verification number (or willingness to obtain)
- Willing to obtain a National Police check

If you genuinely want to challenge yourself, have a rewarding career and become the best Educator you can be, **APPLY** now.

****Please note** that by not addressing the selection criteria may affect your application and you may not be shortlisted.**

For further information please contact St Nicholas Early Education via email EE.HRMailbox@stnicholasmn.org.au.

Additional Information

This position involves working with children. The appointment of successful applicants will be subject to satisfactory employment screening for child-related employment including the completion of a National Police Check, retention of a valid Working with Children Check and adoption and compliance with our Child Safeguarding Policy and Code of Conduct.

St Nicholas Early Education promotes the safety and wellbeing of children from culturally or linguistically diverse backgrounds and encourages applications from people from culturally or linguistically diverse background.

St Nicholas Early Education promotes the safety and wellbeing of Aboriginal and Torres Strait Islander children and encourages applications from Aboriginal and Torres Strait Islander peoples.

Dump Truck Traineeship

About the role:

Do you have enthusiasm, a commitment to safety and want to improve your career options? We are seeking applications from those who would like to undertake a 12-month Dump Truck Traineeship program, at a local Hunter Valley Mine.

Successful applicants will be employed by WorkPac and will join the production team at a local mine site as a Trainee Dump Truck Operator.

Due to the high demand of applications, only those progressing to the next stage of the recruitment process will be contacted in the coming weeks. Phone calls will be directed to apply online only.**

What you will be doing:

- To be a member of our team, you will have a high regard for the value of teamwork, a strong work ethic to ensure all goals of the client are met, by acting with honesty and integrity.
- You will need to demonstrate you are the type of person who will take personal accountability and responsibility for your actions.
- We are looking for people who will strive to work towards meeting or exceeding the clients business plan targets.
- Willing to work a 4 Panel Rotating Roster

What you need:

- Current Drivers licence
- Complete a full Order 43 Medical & Drug Test
- **Provide a residential address located within 80km of Muswellbrook**
- Provide 2 recent work place references

About WorkPac

WorkPac is Australia's leading, privately owned recruitment provider to the mining, construction, engineering, oil and gas and healthcare sectors. Traineeship Administration Respite & Community Participation Coordinator

About Prospect Hill

There is a straightforward Aussie truth behind the success of Prospect Hill: Everyone has the right to a fair go, no exceptions. As one of Australia's longest serving NDIS support providers, the team at Prospect Hill has a promise to support participants to live life in their way, to be the heart and soul of their home and community, and not to be a rostering problem for providers.

About the role

The Trainee Respite & Community Participation Coordinator is a role responsible for managing and planning day programs, intake of emergency respite, communication participation and liaising with family and Co-ordinator of supports. The role is a key part of Prospect Hill's consensus-driven "brains trust" that works to solve problems on a daily basis. You absolutely must be a team player and fluent communicator of critical information to your team and colleagues.

Key Responsibilities

- Tracking referrals and outcomes according to Prospect Hill's and the NDIS' record keeping requirements
- Ensuring that all necessary documentation is received, acted upon, and stored according to Prospect Hill policies, and procedures
- Formulate and submit detailed, quotes for community access.
- Providing the agenda and minutes for the weekly community participant intake meeting with all relevant parties and updating the relevant directories
- Liaise with internal & external stakeholders to build strong relationships to promote future placement referrals and assist in identifying suitable placements
- Develop and maintain strong professional relationships with governing bodies and guardians (Office of the Public Guardian, Official Community Visitor program, NDIS stakeholders, participant parents / guardians, Co-ordinators of Support)

Skills & Experience

- Strong written and verbal communication skills and the ability to build relationships quickly
- Current Drivers Licence
- Successful candidates will be required to clear a NDIS Working Screening Clearance

What is a Traineeship?

A Traineeship is a combination of full-time paid work and a Nationally Recognised Qualification. This opportunity is a 24-month Certificate IV Traineeship, and we are looking for candidates who can commit to the entire 24 months and beyond.

Receptionist-Trainee Certificate 4 Real Estate (Agency)

We are getting ready to open a new office and so require 2 new people to join our Reception Team that would like to eventually progress into a Real Estate Career.

We are currently seeking individuals that are particular in their grooming and presentation, are reliable, have big warm and welcoming personality and a LOVE of people.

We are a forward thinking agency with around 50 team members who do things differently.

We have a culture that focuses on where we are going and finding ways we can achieve our goals.

The role is essentially customer service comprising of telephone and front of house reception and basic admin. tasks, supporting our agents (and serving great coffee) with the ability to complete a registered traineeship in Certificate 4 in Real Estate (Agency) that will provide the required qualification to apply for a Class 2 Real Estate License.

This is a business that is open 8am to 7pm Monday to Friday, 8.30am-5.30pm Saturday, Sunday and Public Holidays.

The position is full time, and offers a 5 day roster, (with a rotation roster sharing early and late shifts, Saturday and Sundays) Our offices are located at Boolaroo, Broadmeadow and Warners Bay.

You will be surrounded by a team of outstanding and supportive people and an environment where working hard and having fun go hand in hand.

The knowledge you will learn of the real estate industry, will provide you with the ability to advance your career should you choose to. Opportunities to progress into Property Management, Sales or Our Client Service team may be offered to suitable candidates on completion of the Traineeship.

If you would like to join a team who achieve outstanding results and are hugely successful then we would love to meet you.

You will need to have

- Exceptional reliability
- Like fast paced high energy environments
- Basic computer skills, Microsoft Office (Outlook, Word) and we will train you on our software.
- Impeccable spelling and grammar
- An ability to be a master of juggling competing priorities
- Have an insatiable LOVE of people with a desire to make them feel like the most important person in the world.
- Have a bright and bubbly phone manner, so people can hear the smile in your voice.
- The ability to make a great coffee or be willing to be trained to barista standard.
- A positive, approach to your tasks and each new day.
- Immaculate, refined, neat and tidy appearance, (consider the way flight attendants present).

To find out more please apply via SEEK with your resume and a brief summary of why this sounds like the perfect role for you

Traineeship

Civil Design Officer Trainee

About the Opportunity

Maitland City Council's **Pathways program** is a fantastic way to kick-start your career and gain professional experience in local government!

Commencing in January 2022, for a period of **two years**, our **Civil Design Officer Trainee** will work within our Design team to assist with the delivery of civil engineering design projects, provide accurate and efficient design documentation and advice for projects and works which are compliant with relevant standards, legislation, and budgets. A key part of your role will be to prepare concept and details design plans including use of 2D & 3D modelling for minor/simple civil infrastructure projects.

This traineeship provides an opportunity for the successful candidate to gain practical on the job experience, whilst also obtaining tertiary qualifications through TAFE NSW completing a Certificate IV in Civil Construction Design. Maitland Council will provide you an opportunity to develop your skills, knowledge, and experience across a range of functions.

About you

To be successful in this role you will possess:

- Eligibility to complete a traineeship (please read role charter to make sure you are eligible before applying)
- Genuine interest in civil design and engineering
- Effective verbal and written communication skills
- Willingness to learn and demonstrated initiative
- Provisional or full licence by the commencement of employment (January 2022).

This role will be suitable for those who have recently completed high school, as well as any candidates who may be looking for a change of career and an opportunity to gain experience in local government!

Benefits

This is a temporary full-time role with a salary range of \$19,854 up to \$40,383 per year depending on age/ years out of High School, including 10% p.a. super. Council also covers the cost of all TAFE fees and gives trainees access to staff benefits such as flexible working arrangements & fitness passport.

Questions?

If after reading the role charter you have any questions, please contact Tiarne Cecil, Learning & Development Advisor, on [02 4934 9878](tel:0249349878). More information regarding Council's Pathways Program can be viewed via <https://www.maitland.nsw.gov.au/pathways-program>.

Applications close: **Sunday 5 December 2021**

To Apply

To apply for this opportunity, please click 'Apply Now' and submit your resume, cover letter and qualifications. In the application process for this role, you will be required to address **three targeted questions**, with each response limited to 400 words, in place of addressing the entire essential criteria.

What happens next?

Once applications close, we will review all candidates' details against the targeted questions and will be back in touch with you to advise the status of your application.

Please note, prior to an offer of employment being made, recommended candidates will be required to undertake a medical assessment (including drug and alcohol testing). Council also completes a range of other pre-employment checks which may include reference checks, employment history checks (past 5 years), psychometric testing or a criminal history check. For more information about the recruitment process, visit our website and search 'work with us'.

Traineeship

Business Administration Traineeships

Done with school or keen to get some experience, earn some cash and gain a competitive edge for your career? This is for you!
About the position

We've got several super versatile opportunities for motivated and friendly people that are ready to learn.

We're looking for Business Administration and/or Reception Trainees that are keen to become reception, administration or business legends!

We have multiple host employers wanting Business Administration Trainees, so we're looking for about 4-8 people to start straight away! Some of these host employers are Medical Centres, Engineers, Occupational Therapists, Real Estate Agents, Solicitors, Accountants, Builders, Electricians etc. New host employers pop-up every week and they each want someone with slightly different skills, so if business administration is where you want to start your career, than you 100% need to send us your resume and cover letter now!

What to expect

Often there is a perception that admin or reception can be an easy gig but in actual fact, it can be really demanding and fast-paced. On any given day, you could be doing things like answering multiple phone calls, sending emails, doing paperwork, organising schedules, making appointments, data entry and so on. It all varies depending on your host employer's business.

How long will it take and what's the wage?

A Business Traineeship normally takes 12-24 months to complete. In the end, you come out with a nationally accredited Certificate III or IV in Business. From here, you can continue your studies or jump straight into the workforce with your new skills glowing on your resume.

Trainees get paid the standard award wage (as stipulated by the Fair Work Ombudsman). It's certainly not millions but you do get to earn while you learn instead of racking up an enormous HECS debt that'll take years to pay back! PLUS, you will be full time, and that means getting paid holidays!

Who we're looking for

All you need to get started is a good attitude, motivation and a genuine willingness to learn and help the team. These are quality opportunities to gain valuable experience and get your career kick-started! So, if you're reliable, committed to studying some more (by doing a Certificate III or IV), and keen for something new, we want to hear from you!

What skills will I learn?

One of the best parts about a Business or Business Administration Traineeship is the absolute buck load of transferable life skills you learn. Some of these are:

- Problem solving skills
- A heightened attention to detail
- Confidence communicating to different kinds of people
- Customer service and people skills
- Organisational and time management skills
- Proficiency in managing files (digitally and paper-based)

All about GTO and how this job works

Novaskill is a Group Training Organisation (GTO) which means there is a massive team of people in our business that are 100% dedicated to recruiting, mentoring and carefully matching apprentices and trainees with 'host' businesses. In a nutshell, we will be your legal employer; we pay you, we set you up with TAFE (or whatever RTO you need to do your training through, often this is also us) and we ensure you have everything you need to succeed in your traineeship.

The place you physically go to every day, is called your 'host employer'. It's their job to provide you with on-the-job support and training. It sounds complicated but it's really not. It's an awesome set up because you have support from two businesses (which maximises your chance of finishing fast), you get all the organisations stuff taken care of for you, and peace of mind knowing that we've been doing this for over 40 years.

If you feel like we're your people and you have a good attitude with a killer work ethic, please apply ASAP with your resume and cover letter.

Still got questions? Contact our Group Training Team on [\(02\) 4906 6700](tel:0249066700) or email recruitment@novaskill.com.au.

Please be aware that most of our host employers require you to have a P1 or above drivers' license.

We are a proud equal opportunity employer and encourage all persons to apply. Unfortunately, due to the high volume of applications, we are only able to contact shortlisted candidates.

Trainee Position - build your future with Hydraulink Australia!

Opportunity to join our team – develop the skills to be a great hose technician

- Learn from the experienced team members, with time in the field and working in our services centers.
- Once you've got the skills, be promoted to a full-time hose technician.

Whatever you do, you're a bit of a petrol head and you'll be in your element in this role, applying your proven automotive or mechanical skills to learn how to deliver a high-quality install, repair and maintenance service to a diverse range of customers. And while you're great with tools, you'll also be just as great with people – a natural relationship builder who can earn trust and develop long term relationships with our customers.

At heart you will have a passion for providing exceptional customer service, have an eye for detail and have strong time management capabilities. You are also not afraid to stretch yourself, to learn new skills!

With our new state of the art Learning Academy and Nationally Accredited Competency - Based Training Program, Hydraulink will train you with the skills and knowledge you need to hit the road with a future career in Mobile Hose Technician work.

You will join our experienced Mobile Service Technicians so you can learn the ins and outs, but ideally you will see yourself out on the road by yourself within 12 months!

In addition, you get:

- A great commission scheme to reward your extra effort once you hit the road!
- Company provided working vehicle once you are fully ready to go out on your own!
- Nationally recognised training certification
- A great social environment including employee conferences

About the person

You could be a mechanic, a fitter welder looking for a change of direction or a "tradie" stuck in a workshop wanting an opportunity to get out and do more. You may also be coming close to finishing trade in a similar area looking for your first job! Whoever you are, at your core, you are a natural with machines and love to get them working.

So, to recap:

- Would suit an individual with strong fitting, welding and general mechanical skills or a desire to learn these skills.
- Ability to work with customers
- A willingness to build and maintain customer relationships
- Self-motivated with great initiative – self starter
- Sound computer skills Word / Excel / Outlook
- The ability and willingness to undertake on call work (in future)

About the company

At Hydraulink we like to keep things moving, it's in our DNA. After all we are a leading multinational hose and fittings brand with a huge network in Australia, New Zealand and Asia Pacific.

We have driven that service reach on a unique blend of company branches, owner-operator/franchisees and distributors. Hydraulink's combined knowledge base can assist with anything from breakdowns to full installations.

We are building on over 75 years of success, and constantly looking at what's next to drive the future for us, and to deliver for our customers. This is where you come in.

Applicants **MUST HAVE** Residency or valid working rights as well as a current driver's licence. A pre-employment medical (including drug and alcohol screen) may form part of our recruitment process.

- Data entry
- Administrative support and reporting as required

Essential Requirements:

- I have excellent communication skills with attention to detail
- I enjoy providing exceptional customer service
- I am excited about building a career in real estate
- I am confident and vibrant
- Immaculate presentation with a professional and corporate image

This is a busy and varied role. Being proficient in the use of computers is essential.

We are looking for someone who has a positive work ethic, who can take this role and make it their own, initiative is welcomed.

The role is available **now** for the right candidate.

If you believe you will make for the ideal trainee here at Reece Realty, send your resume and cover letter outlining why you want a start in Real Estate to recruitment@reecerealty.com.au.

*Note: Interviews will commence immediately and only short listed applicants will be contacted for an interview.

Trainee Arborist

Impact Tree Solutions is a privately owned, family run vegetation management company, committed to offering a high standard of service to our clients. Based in Lake Macquarie, we conduct work in a broad range of areas, both urban and rural throughout Central Coast, Newcastle and the Hunter.

An excellent opportunity now exists for someone to learn the ropes and become a qualified arborist through our Traineeship.

Tree Experience is not necessary; however, the successful candidate must be reliable, hardworking, willing to learn and have a keen attitude and aptitude to get a job done.

Daily Responsibilities:

- Daily checks & maintenance on equipment & vehicles
- Tree pruning and removal from EWP & at ground level
- Completing work orders promptly & efficiently
- Picking up branches and feeding the chipper
- Raking small leaves up and blowing down the area to make it clean
- General paperwork

Essential Skills:

- Must be over 18 years old - to obtain High risk license
- Drivers license
- Reliable car
- Hold strong values on maintaining safe environments & quality of work
- Have a positive & motivated work ethic
- Be able to work in a team environment
- Willingness to learn and get in and have a go

Desirable Skills (not essential):

- MR license
- White Card
- First Aid Certificate

What we offer:

- A competitive hourly rate
- Stable work environment and conditions
- A company that strives on safety first & quality of works
- Opportunity to further develop your skill in the company

If you enjoy working outdoors in various conditions and can see yourself being a part of our team, please send your **cover letter** outlining the position you are applying for and your skills and experience with your **resume** to impacttreesolutions@outlook.com

The Bavarian/Beerhaus Apprenticeship and Traineeship Program

Hospitality Training Network (HTN) is Australia's largest group employer of hospitality, tourism and food service apprentices and trainees. We are a trusted company who work with a network of highly successful businesses, restaurants and chefs to provide you with a unique opportunity to undertake your career. We are excited to have launched a new The Bavarian Apprenticeship Training Program. We are thrilled to bring this program to life with Pacific Concepts and be able to develop future Chefs and upskill young talent. You will work with senior Chefs and a supportive team, have the leadership and guidance of a Culinary Mentor and be supported for the duration of your Apprenticeship or traineeship.

Hospitality Traineeship – Certificate III in Hospitality

This Traineeship reflects the role of individuals who have a range of well-developed front of house food and beverage service and sales skills combined with sound product knowledge.

You will gain a range of hands on experience and skills within the workplace whilst completing a Certificate III in Hospitality.

Apprentice Chef – Certificate III in Commercial Cookery

As an apprentice chef, you will work alongside qualified chefs assisting in all aspects of food preparation and presentation. This position provides the opportunity to learn and build experience in a commercial kitchen environment. We are looking for a passionate individual who is wanting to develop knowledge in commercial cookery. Most importantly working as an apprentice chef will give you the skills and knowledge to one day run your own kitchen!

This qualification provides the skills and knowledge for an individual to be competent as a qualified chef.

Work Environment: We are currently seeking an Apprentice and Trainee for the following locations.

The Bavarian (Charlestown) brings a German-inspired, Aussie-embraced dining experience. A unique blend of Bavarian-inspired diner and local pub, guests can enjoy good food, good beers, good times, and the best of both worlds at The Bavarian.

Beerhaus (Kotara) - The focus is on big-hitting flavours, including classic pub food with items ranging from roasts to ribs, to fish and chips, sensational, golden-crumbed chicken schnitzels, flavourful burgers, and big buckets of chicken wings with a choice of seven, spicy sauces.

Applicants must have a current RSA or be willing to obtain one.

Eligibility

To be eligible to work as an apprentice or trainee in QLD you must either have:

- Australian Citizenship
- Australian Permanent Residency

This position would also be suitable for individuals interested in cooking, and hospitality.

Please ensure an up to date Resume and Cover Letter is included stating which position you are applying for

Junior Workshop Assistant

Zacatak Lures is a local manufacturer of handcrafted game fishing lures, proudly sending products across the globe every day. Due to ongoing expansion, we're currently recruiting for a Junior Workshop Assistant to join our team. This is a critical hands-on role, assisting in the end-to-end manufacturing process.

The position is full-time (Monday - Friday) based in Corlette, NSW.

Previous experience is not required.

THE ROLE:

- Manufacture and assemble products to a high quality
- Process and package orders ready for shipping
- Stock replenishment
- Washing of vehicles
- General cleaning and housekeeping
- Ensure a safe and clean workplace is maintained at all times
- General administrative tasks

THE REQUIREMENTS:

- Physically fit
- Ability to check own work for quality
- Excellent eye for detail
- Good with hands / tools
- Must follow workplace instructions / procedures well
- Trustworthy and reliable
- Enthusiastic and motivated
- A great attitude!

THE BENEFITS:

- Weekday work with early finishes
- Work with a small friendly team in an air-conditioned, clean workshop
- Fast-growing company in fishing industry, selling globally
- Previous experience not required

Our ideal team member has a positive work ethic, mature outlook and view to long term employment. Previous experience in this type of work is not necessary, just a desire to learn and to create a quality product that is in demand worldwide. An interest in fishing is a bonus!

To learn more about Zacatak Lures visit www.zacatak.com

Applications should only be submitted via SEEK and will be considered as they are received. **PLEASE INCLUDE A COVER LETTER TO TELL US MORE ABOUT YOU.** Good luck!

Full Time

Office Administration Assistant - Located in Newcastle

Have you just finished high school and are looking for a job? Are you tired of seeing, experience required and never getting the chance to gain any? Apply now and get the chance to complete a Certificate III in Business and gain hands-on experience.

ARC provides **PAID** Entry Level Traineeships and has a position available for a **Full-Time Office Admin** role available. We are giving High school leavers or juniors the opportunity to complete a Certificate III in Business. You will learn how to:

- Answering phone calls
- Managing inboxes
- Handling customer enquiry
- Data entry and Administration duties
- Filing and scanning

What's in it for you:

1. Full time paid employment as a Legal Admin
2. Opportunity to gain a nationally recognised qualification in Business (No Student Fee)
3. On the job support and training

Requirements for this role:

- Great attention to detail
- Good verbal and written communication
- Computer literate – Word, Excel, Outlook
- Positive attitude & willingness to learn

If this sounds like the perfect start for you, apply NOW!

Eligibility:

- Must be an Australian/New Zealand citizen or Permanent Resident
- Must be able to work full time for at least 12 months

If you hold a qualification equal to or higher than a Certificate IV, you may not be eligible.

Singleton Retail Assistant

At ALDI, our people are the key to our success.

ALDI offer a supermarket experience that is like no other in Australia. Where else can you walk into a supermarket wanting to buy bread and milk and walk out with a trombone?

Luckily, to be a Retail Assistant at ALDI you don't need to be an expert trombone player. You will need to love to keep active and busy because our Retail Assistant role is so much more than sitting at a register. As a Retail Assistant at ALDI you'll be operating machinery, filling shelves, cleaning, checking product quality and tidying special buys. You don't need to be the Hulk, but the role is physical in nature, so you'll need to enjoy hands-on work!

Our stores are open every day of the week (including weekends and public holidays). Shifts can start as early as 6am and finish as late as 10pm, so they fit nicely around your study timetable or busy lifestyle! It's important that you are able to get to and from work safely, so you need access to reliable transport. Regardless of your previous experience a positive attitude, a hardworking spirit and the willingness to learn are what we are really looking for.

What's in it for you?

- Market leading remuneration - \$25.75 per hour+penalties*
- Rotating roster with an average of 15 hours per week
- Be a part of an international retailer
- Career progression opportunities in our growing store network
- Extensive training and development
- 4 weeks annual leave
- Work alongside friendly, passionate and supportive colleagues

You will be responsible for:

- Ensuring shelves are fully stocked with products
- Cleaning and maintaining store standards
- Operating manual pallet moving equipment
- Merchandising stock storewide
- Serving and assisting customers in a professional and efficient manner
- Operating registers and calculating change manually

If you're still reading and like what you see, go and put your application in with ALDI! (When you're done with your trombone lesson of course)

COVID-19 update

At ALDI we believe that our employees should expect to come to work every day with the comfort and confidence that they are in the safest possible environment. You will be required to adhere to all ALDI and State and Federal Government COVID-safe practices and regulations.

From March 1st 2022, a condition of ongoing employment with ALDI will be that employees are fully vaccinated against COVID-19 unless they have a valid exemption. This requirement will apply to all employees across stores, warehouse, transport and offices.

*Hourly rate for Retail Assistants over 18 years of age.

Retail Assistant Muswellbrook
